## **Awards and recognitions received for extension activities from government / government recognized bodies**

**SAI SPURTHI INSTITUTE OF TECHNOLOGY** has carried out various extension activities outside the campus – in and around Sathupally mandal and has received various rewards and appreciation letters from Government and Non-government agencies. The students of the institution with the support of faculty members have carried out various activities.

The Prime objective of carrying out the extension activities is to enable the student community to be socially responsible and to possess an attitude of service which is prime requisite for a professional. SSIT students have carried out various social service programs which include medical camps in surrounding rural areas & donating blood to the needy in times of emergency, the students provide drinking water, butter milk, other food items to the needy people and the takes the support of sathupally Police to conduct awareness programs on Road Safety Measures.

The institute promotes regular engagement of faculty, students with neighborhood community for their holistic development through various community activities. Every Year, a list of programmes are being organized to reach the objective. Many a rewards and awards were bestowed on SSIT and its students for the service rendered. Various awareness programs, rallies and road shows with themes like cleanliness, green environment & tree plantation, gender sensitization, traffic rule awareness and empowerment of girls and women; and help acid-attack survivors are organized.

- Continuous voluntary activities by students to maintain cleanliness in and around the Campus create awareness about the role of clean environment in human health and contribute to the National Swachh Bharat Abhiyan.
- Our students wholeheartedly participate in blood donation events organized in the college every year. The mass participation shows their inner values of harmony and mercy.
- Students also participate in various patriotic events with enthusiasm, be it celebration of Independence Day, Republic Day or Azadi ka Amrit Mahotsav celebrations.

All these mentioned activities have positive impact on the students and it developed student community relationship, leadership skill and self confidence of students. It also helped in cultivating hidden personality of students and created awareness among students.
